This decision was not made lightly, and we understand that these products may be important to some of our clients. However, we believe it is in the best interest of our customers and the pharmacy to focus on other products and services. We offer alternatives available for many of these medications and encourage you to reach out to your prescriber or pharmacy.

We sincerely apologize for any inconvenience this may cause and assure you that we remain committed to providing you with high-quality products and services. We value your business and appreciate your understanding during this transition.

If you have any concerns or need further assistance, please do not hesitate to contact our customer service team.

Thank you for your continued trust and partnership.
